

# Hungry

Annie DiRusso

Lot in the woods  
You learned to drive  
Your parents' car  
Take her at night  
And that Prius reeks  
Of your sister's weed  
She's 17  
Fuck that backseat

Upstate trees  
I watched you flash your teeth  
When a bear gets hungry  
Doesn't care who it eats  
You don't care  
Who you eat

Bite into me  
You cry when I bleed  
I watch you chew  
I comfort you

Upstate trees  
I watched you flash your teeth  
When a bear gets hungry  
Doesn't care who it eats

Today I called my mom  
And told her what you did  
After all of these years  
I'm finally sure of it  
Told me your mom's a bitch  
Although she raised a monster  
I don't think she is  
It makes me not want kids  
Just knowing what you did  
It makes me not want kids  
It makes me
