

## Jonathan

Annie DiRusso

Never liked the smell of cigs  
Till I smelled them on you  
Breathe them out breathe you back in  
It's everything you do

Oooooooooooooo nah oooooo  
Oooooooooooooo ahhhhhhha ooooooo ooooooo

Always hated long car rides  
Till I drove home with you  
Pull me left then pull me right  
It's everything you do

Oooooooooooooo nah oooooo  
Oooooooooooooo ahhhhhhha ooooooo ooooooo

Jonathan I guess it's fine, love's unrequited all the time  
Jonathan makes me wanna hate, 'cause loving him brings so much  
pain  
Jonathan I-I'm gonna yell, you know I've lost all sense of self  
Jonathan I-I'm gonna scream, you woke me up from all my dreams

Jonathan I guess it's fine, love's unrequited all the time  
Jonathan makes me wanna hate, 'cause loving him brings so much  
pain  
Jonathan I-I'm gonna yell, you know I've lost all sense of self  
Jonathan I-I'm gonna scream, you woke me up from all my dreams
