

Lip Service

Annihilator

So nice to meet you, I hope I can come inside
Invited in, you leave the door open wide
Perfection like I've never seen before
A goddess, an angel, all I could ask for

Down we go, let's start the show
It's just what you need
Your pleasure and my treat
I got dessert to eat

Devour the feast!

Sweat dripping from the skin
I'm dancing with the ultimate one
Like a sweet peach dipped in honey
With a taste that's second to none (to none!)

Down we go, let's start the show
It's just what you need
Your pleasure and my treat
I got dessert to eat
Ooh!

Devour the feast!

Lip service
I'm gonna give it to you
Lip service
Everything you want me to do
Lip service
I'm gonna give it to you
Yeah-yeah

Lip service
I'm gonna give it to you
Lip service
Everything you want me to do
Lip service
I'm a-gonna give it to you
Ha-ha...

Yeah!

Now that the meal is over
So glad you let me into your den
But one thing you got to face
I think it's time we did it again (again!)

Down we go, let's start the show
It's just what you need
Your pleasure and my treat
I got dessert to eat
Ooh!

Devour the feast!
