

# My Revenge

Annihilator

Dedicated to the chosen craft  
I made the choice, there is no going back  
I never deviated from the goal  
And I never doubted giving up my soul  
Try to take it down and to offend  
It will not break and it will never bend  
What you give, you get back in return  
Cross me, fool, and you will learn

Fight on, survival  
Clawing away til the end  
Fight on, survival  
This is how I get my revenge

Spitting in your face, verbal attack  
Daggers, in the air, behind your back  
Try to stop me if you think you must  
The mirror looks back at you in disgust  
Slam it all and drag it through the mud  
Cannot shut it down, it's in the blood  
Critics, it's not what you expect  
But show some god damn respect

Sometimes it gets lonely and sometimes it's full of pain  
But If I could go back in time, would I do it all again, yes I would

I don't give a damn what you say  
Cause nothing's gonna get in my way  
There's time to kill and nothing left to do  
Just sit and judge, who are you
