

# Romeo Delight

Annihilator

I told her never in hell, no special reason  
Musta lied 'cause I ain't leavin'  
We're in for a very long night  
Heard a vicious rumor from your mama's tongue  
You a desperate woman, need a man with a gun  
High crime zone, in the city o' lights  
Baby please, can't take it anymore  
Ah! baby please, can't take it anymore

I'm takin' whiskey to the party tonight  
And I'm lookin' for somebody to squeeze. Uh! Uh!  
I hear you're lookin' for somebody to fight  
Baby, don't get uptight  
Baby please

Wanna see my ID? Try to clip my wings  
Don't have to show you proof o' anything  
I know the law, friend  
At the 'leventh hour I'm goin' back outside  
Ooh, give it a try, I'm your last loose end

Baby please, I can't take it anymore  
Oh, baby please, I can't take it anymore

I'm takin' whiskey to the party tonight  
An' I'm lookin' for somebody to squeeze.  
Hear you're lookin' for somebody to fight  
Baby, don't get uptight  
Baby please  
Yeah!

Oooh, baby  
Oooh, baby  
Oooh, baby

Uh feel my heartbeat  
Feel my heartbeat  
Feel my heartbeat  
Oh, yeah

Feel my heartbeat  
Feel my heartbeat  
Feel my heartbeat  
Feel my heartbeat  
Feel my heartbeat

Baby please, I can't take it anymore.  
Yeah, baby please, I can't uh take it anymore  
Baby please, can't take it anymore  
Whoa baby please, I can't take it anymore.

I'm takin' whiskey to the party tonight  
An' I'm lookin' for somebody to squeeze.  
Hear you're lookin' for somebody to fight  
Baby, don't get uptight  
Baby please, yeah!  
Baby please
