

# Thriller

Annisokay

It's close to midnight  
And something evil's lurking in the dark  
Under the moonlight  
You see a sight that almost stops your heart  
You try to scream  
But terror takes the sound before you make it  
You start to freeze  
As horror looks you right between the eyes  
You're paralyzed

'Cause it's a thriller, thriller night  
And no one's gonna save you from the beast about to strike  
You know it's thriller, thriller night  
You're fighting for your life inside a killer thriller tonight

You hear the door slam  
And realize there's nowhere left to run  
You feel the cold hand  
And wonder if you'll ever see the sun  
You close your eyes  
And hope that this is just imagination  
But all the while  
You hear a creature creepin' up behind  
You're outta time

'Cause it's a thriller, thriller night  
There ain't no second chance against the thing with the forty eyes  
You know it's thriller, thriller night  
You're fighting for your life inside a killer thriller tonight

Night creatures call  
And the dead start to walk in their masquerade  
There's no escaping  
The jaws of the alien this time  
This is the end of your life

They're out to get you  
There's demons closing in on every side  
They will possess you  
Unless you change that number on your dial  
Now is the time  
For you and I to cuddle close together  
All through the night  
I'll save you from the terrors on the screen  
I'll make you see

That it's a thriller, thriller night  
'Cause I can thrill you more than any ghost would ever dare try  
'Cause it's a thriller, thriller night  
So let me hold you tight and share a killer, killer  
Chiller thriller here tonight  
'Cause it's a thriller, thriller night  
'Cause I can thrill you more than any ghost would ever dare try  
'Cause it's a thriller, thriller night  
So let me hold you tight and share a killer thriller

I'm gonna thrill you tonight

Darkness falls across the land  
The midnight hour is close at hand  
Creatures crawl in search of blood  
To terrorize your neighborhood  
And whosoever shall be found  
Without the soul for getting down  
Must stand and face the hounds of hell  
And rot inside a corpse's shell  
I'm gonna be there tonight (Thriller, thriller)  
I'll be there all night (Thriller, thriller)  
I'll be there all night (Thriller, thriller)  
I'll be there all night (Thriller, thriller)  
I'll be there  
The foulest stench is in the air  
The funk of forty-thousand years  
And grizzly ghouls from every tomb  
Are closing in to seal your doom  
And though you fight to stay alive  
Your body starts to shiver  
For no mere mortal can resist  
The evil of the thriller
