Swing Low Sweet Chariot

Annuals

Well I looked over yawn and what did I see coming forth to carry me home? There was a band of angels are coming after me comin' forth to carry me home

Swing low sweet chariot comin' forth to carry me home

Well I'm sometimes up and sometimes I'm down comin forth to carry me home but I know my soul is heavenly bound is comin' forth to carry me home

Swing low sweet chariot comin' forth to carry me home

And you get there
before I do
comin' forth to carry me home
tell all my friends that I'm
coming too
comin' forth to carry me home

Swing low sweet chariot comin' forth to carry me home comin' forth to carry me home
