

Can't

ANOHNI

I miss you, my darling
I miss you, friend
You are dead and oh so far away
While I am here, stranded among the living
Like so many rotten teeth

I don't like this place
Can't be long without seeing your face
Want you now here beside me
I don't like it
Can't endure it
I don't want it

Come back home, my darling
Come back home, friend
Sorry for the things that I've done
I can't stop this, darling, it keeps being real
I don't want you to be dead
I can't stand around with these rotten teeth
Can't stand around
Talking shit with these, all these rotten teeth
Can't stand around
Talking shit with all these rotten teeth

I don't like this place
Can't be long without seeing your face
Want you here now beside me
Can't endure this misery

I don't like, I don't like this place
Can't be long without seeing your face
Want you here now beside me
I don't care, I just don't care how

Can't undo it
Can't reverse it
I can't stop it
I just can't
I can't, I can't, I can't
I can't, I can't, I can't
I can't, I can't, I can't
I can't do it
I won't do it
I won't do it
I won't accept it
I can't accept it
I won't accept it
I can't stop it
Can't undo it
Can't reverse it
I won't have it
I can't stop it
Can't undo it
Can't reverse it
I won't have it
You're gone
You're gone

You're gone
Won't, won't, won't, won't
I won't have it
I won't have it
I don't want you to be dead
I don't want you to be dead
I don't want you to be dead
I don't want you to be dead
I won't have it
I won't have it
Can't reverse it
I won't have it
Can't undo it
Can't reverse it
I won't have it
I won't have it
