

## Drone Bomb Me

ANO HNI

Drone bomb me  
Blow me from the mountains  
And into the sea  
Blow me from the side of the mountain  
Blow my head off  
Explode my crystal guts  
Lay my purple on the grass

I have a glint in my eye  
I think I want to die  
I want to die  
I want to be the apple of your eye

So drone bomb me  
(Drone bomb me)  
Blow me from the mountains  
And into the sea  
Blow me from the side of the mountain  
Blow my head off  
Explode my crystal guts  
Lay my purple on the grass

Let me be the first  
I'm not so innocent  
Let me be the one  
The one that you choose from above  
After all, I'm partly to blame

So drone bomb me  
(After all, I'm partly to blame)  
Blow me from the mountains  
And into the sea  
Blow me from the mountains  
And into the sea  
(From the mountains and into the sea)  
(I'm not so innocent)  
Blow my head off  
Explode my crystal guts

My blood, my blood  
Choose me tonight  
Let me be the one  
The one that you choose tonight
