

Rapture

ANOHNI

Eyes are falling
Lips are falling
Hair is falling to the ground
Slowly, softly falling, falling
Down in silence to the ground
All the world is a-falling, falling
All the blue from me and you
Down in silence to the ground

Teardrops
I'm talking about your teardrops

For instance
Oh, my mama
She's been falling
Falling down for quite some time
And, oh, my papa
He's been falling
Falling down for quite some time
And all my friends
Have watched them falling
Falling softly to the ground
Like the leaves, the leaves are falling
Down in silence to the ground

Is this the rapture?
Is this the rapture?
Why don't you tell me?
Is this the rapture?
Is this the rapture? (Rapture)

Our Father
Who art
For the kingdom
Power, glory, and yours
Holy ghost
Now and forever
