

Ricochet

ANOHNI

And if this keeps going
I'm gonna curse you, my god
I'm gonna hate you, my god

For making me this way
Making me like this
A point of consciousness, my god

When I die and gone
If I find I carry on
I'm gonna hate you, my god

I don't want to ricochet
I don't want to ricochet

And if this keeps going
I'm gonna curse you, my god
I'm gonna hate you, my god

I don't wanna ricochet

Because I'm afraid
I'm gonna hate you, my god
I'm gonna curse you
Curse you, my god

I don't want to ricochet
I don't want to ricochet
