

## Never Okay

Another Day Dawns

No one knows the other side  
The other side of me  
I buried it in my backyard, it's buried six feet deep  
No one knows how hard I tried  
To keep the smile safe  
It's not so fun, when everyone, is picking on your face

I'm never okay, never okay  
I'm never okay  
I'm never okay, I'm never okay  
I'm never okay

Everyone just stares at me  
Not knowing where I've been  
It's just another day wearing someone elses skin  
I've buried them in the yard  
Next to my old friends  
And when I'm feeling bored again  
I dress up and play pretend

I'm never okay, never okay  
I'm never okay  
I'm never okay, I'm never okay  
I'm never okay

I'm never okay, never okay  
I'm never okay  
I'm never okay, I'm never okay  
I'm never okay

I'm never okay, I'm never okay

No one knows the other side, the other side of me  
Just me in my backyard, next to my family
