

# Rage

## Another Day Dawns

Don't say I'm wrong when you know I'm right  
Saying that is pure suicide  
I'm not the man that you once knew  
I'm not the same, my senses came to

I'm not saying, I'm not saying  
You're to blame, you're to blame  
In this cage, in this cage  
All I sense is Rage

Woah, woah

(Rage!) Rage (Rage!)  
Can't control and you can't confine me  
(Rage!) Rage (Rage!)  
Stop complaining, you're the one who made this

All the time, it was all a lie  
You left me here all paranoid  
The blood on my hands washed away  
All I see is red

Woah, woah

(Rage!) Rage (Rage!)  
Can't control and you can't confine me  
(Rage!) Rage (Rage!)  
Stop complaining, you're the one who made this

(Rage!) Rage (Rage!)  
Can't control and you can't confine me  
(Rage!) Rage (Rage!)  
Next in line see if you can take me

You can take me  
You can take me  
You can take me  
You can take me

Woah, woah

(Rage!) Rage (Rage!)  
Can't control and you can't confine me  
(Rage!) Rage (Rage!)  
Stop complaining, you're the one who made this

(Rage!) Rage (Rage!)  
Can't control and you can't confine me  
(Rage!) Rage (Rage!)  
Next in line see if you can take me
