## Another Level

Oh yeah  
Wow yeah, yeah, yeah, yeah, yeah

Girl you gotta know what ya doin' to me  
When you're givin' me ya sexy thang  
Don't ever change what you do with your body  
It feels so beautiful, it feels so right  
Exposions going on with us every night  
I can't hold back the soul with one in the whole,  
You can just call me kid dynamite  
'Cause your love's

(Sweeter than honey)  
Girl it ain't funny  
Got me open wide, word to my dollar bill  
That's where I'm puttin' my money girl, you know

You know it's the bomb diggy diggy  
When we get jiggy let my piggyback  
Ride on it all night long (all night)  
While I'm singing my song, all through the hoody hoodywanna get the goody goody  
You know It's the bomb diggy diggy bomb bomb diggy  
Can I get some of your bomb diggy?  
Jello jello goody chocolate puddyy  
Want to get a little bit of your goody goody  
Oh goody goody

Your love's so supernatural ( supernatural)  
You got me chasin' after ya I'll go wherever you are, just tell me and I'll  
be packin' up  
I'll be your journey man for love, travelin' from hood to hood  
(Ghetto to ghetto)  
Anyplace any time 'cause your love makes me feel so good baby
