

# Better Off Alone

Anouk

Mourning through thoughts of you  
My heavy heart  
Can't find my way around  
It's morning when it starts

You and I wanted love, somewhere down the line  
(You and I) All of the things that we've been through  
(Don't you know) Deep down you know that I love you  
(That by know) If you don't know that by now then  
I might have to leave

Baby, you're telling me that I'm no good, and I don't  
even care  
You make it so hard for me, to love you back in any way  
I can  
Many times I am failing you, cannot give what I want  
you  
And if you ride my side, my heart is made of stone  
Then I'm better off alone

Building a para-case, day by day  
Leaving me paralyzed, selfish and afraid  
I am not who I was, I got broken deep inside

(Make it feel) I make you feel left out alone  
(All alone) You need a place you can call home  
(Need a home) What if I'm finding out now  
I can't do that anymore

Baby, you're telling me that I'm no good, and I don't  
even care  
You make it so hard for me, to love you back, the only  
way I can  
Many times I am failing you, cannot give what I want  
you  
And if you ride my side, my heart is made of stone  
Then I'm better off alone

(I'm trying so hard to be the one that you think I  
should stay)  
But it doesn't work that way  
(I'm trying so hard to be the one that you think I  
should stay)  
But I am so afraid, heyy, so afraid, so afraid, baby,  
oeehh

Baby you're telling me that I'm no good and I don't  
even care  
You make it so hard for me to love you back in any way  
I can
