

# Down Daddy Down

Anouk

I'm a lone wolf in sheep's clothing, that's no lie  
But I'm as sweet as nectar to the naked eye  
I'm about to burn, I've got the fire all over me  
And it's alarming how fast it brings you to your knees

Down daddy down  
Daddy daddy down down  
Go down  
Down daddy down  
Daddy daddy down down  
Bow down  
Down daddy down  
Daddy daddy down down  
Go down  
On me  
Down daddy down  
Daddy daddy down down  
Bow down  
On me

I see them big brown eyes crawling over me  
You sure love my legs and what is in between  
Spare me the eyes when you're eating me alive  
Just open that mouth and give that tongue some exercise

Down daddy down  
Daddy daddy down down  
Go down  
Down daddy down  
Daddy daddy down down  
Bow down  
Down daddy down  
Daddy daddy down down  
Go down  
On me  
Down daddy down  
Daddy daddy down down  
Bow down  
Bow down  
Bow down  
On me

Talk dirty to me  
I'll tell you how I want it  
On me  
Bow down  
Bow down  
Talk dirty to me  
Bow down  
Bow down  
I'll tell you how I like it  
On me
