

It's A New Day

Anouk

From mother to son
From father to daughter
We're climbing the staircase
It's what life's about
This journey provides
Rooms without carpets
Just go on and reach for what you want in life

'Cause it's a new day
It's a new day
It's a new day for us

To new destinations where winds come and go
Raw washed up places out of your control
We're still waking up to beautiful music
And a life without purpose is no life at all

'Cause it's a new day
It's a new day
It's a new day for us
Yeah, it's a new day
It's a new day, baby
It's a new day for all of us

Yeah, it's a new day
It's a new day, baby
It's a new day for us
Yeah, it's a new day
It's a new day
It's a new day for all of us

From mother to son
From father to daughter
Let's go on and reach for what you want in life
