

# There He Goes

Anouk

A perfect night in New York City  
I feel alive and kinda pretty  
On this sunny Sunday evening  
Where no worse is being done  
I put my feet here on the ground  
You make me something turn around  
As I pass an empty square no one can see  
Cause no one's there

But when you walk on by  
Through city lights  
I'm on fire  
You're like dynamite

You walk like a lion, yellow man  
I see myself holding your hand  
You mesmerize me as I come undone  
You warm me like the sun  
Even your walk has its own groove  
That crawls me deeply into you  
I don't know where you're coming from  
You've got my heart beat like a drum

Cause when you walk on by  
Through city lights  
Baby, I'm on fire  
You're like dynamite  
Yeah when you walk on by  
Through city lights  
I'm on fire  
'Til you're out of sight

(There he goes, he walks into the shining light)  
There he goes  
(Yeah we know that this is love at first sight)  
Follow you  
(There he goes, he walks into the shining light)  
There he goes, there he goes  
(Yeah we know that this is love at first sight)  
(Where do you go? Where do you go?)  
(Where do you go? Where do you go?)  
(Where do you go?) 'Til you're out of sight  
(Where do you go? Where do you go?)  
(Where do you go? Where do you go?)  
Baby, I'm on fire  
(Where do you go?)

Baby, I'm on fire  
When you walk on by  
Through city lights, yeah  
Baby, I'm on fire
