

Why Do You Hate Me So Much

Anouk

Why do you hurt me so badly?
Is there nothing I can do to make it stop?
It's causing me pain, helping you feeling save, my love, my love
e
You load up your bullets and fire
Piercing my skin, you're straight to my heart
Which tells me no, but my mind won't let go, my love, my love

No longer I fight back when you're here
Have I ever done you wrong?

Why do you hate me so much?
What did I do to deserve all of this?
Why do you hate me so?

My eyes, once happy, look hollow
I'm not even sure who I am anymore
It becomes harder to hide, it's festered inside, my love
Quietly falling apart
The darkness has taken control of your heart
It's not how it used to be, it's in your eyes, my love

No longer I fight back when you're here
Have I ever done you wrong?

Why do you hate me so much?
What did I do to deserve all of this?
Why do you hate me so?

So now each time when you walk by
I'm acting as I am black
I'm only doing this because you hurt me so deep inside

Why do you hate me so much?
What did I do to deserve all of this?
Why do you hate me so?
