

I Can Love Anyone (As Long As It's You)

Anson Seabra

I don't think about you at all
Don't pick up the phone when it's late, tryna call
Said I have your jean jacket
And I definitely don't have it on right now
I don't care about you at all
What you been up to? It feels like so long
Since I wanted to end this
I sure don't regret it

'Cause there's always other people I could meet
But I kinda thought you were the one for me

But I promise, I'll be fine, just give me a week or two, yeah
I'll find another one, sad but it's true
'Cause I can love anyone, find someone new
I don't have a type, there's so many hearts to choose, yeah
I'll find another one, it's not hard to do
'Cause I can love anyone as long as it's you

Ooh-ooh-ooh
Ooh-ooh-ooh
Ooh, ooh

I went on a couple of dates
To get someone to fill up the space
That you left on my mattress
But you're still in the fabric
And I played her that song that you like
And she had the very same look in her eyes
Like she wanted to give me the world
Oh, but she's not the right girl

But I promise, I'll be fine, just give me a week or two, yeah
I'll find another one, sad but it's true
'Cause I can love anyone, find someone new
I don't have a type, so many hearts to choose, yeah
I'll find another one, it's not hard to do
'Cause I can love anyone as long as it's you

Ooh-ooh-ooh
Ooh-ooh-ooh
Ooh, ooh

'Cause there's always other people I could meet
But the truth is you're the only one for me

I promise, I'll be fine, just give me a week or two, yeah
I'll find another one, sad but it's true
'Cause I can love anyone, find someone new
I don't have a type, there's so many hearts to choose, yeah
I'll find another one, it's not hard to do
'Cause I can love anyone as long as it's you
