

When It's Over

Anson Seabra

Your last night in town
I acted fine
You don't make a sound
Lips begin to touch
One last final rush
After this is done
I'll be fine I just

Don't wanna be there when it's over
Crying all alone cause
I'll be here and you'll be moving on
Don't wanna be there when I'm sober
Hoping that I over-dose on anything to keep me numb
Oh and I know I shouldn't need you
Know what this could lead to
And I know
And I know
That I'll be alright but I don't wanna be there when it's over
Don't wanna be there when it's over

Fall break
I'm feeling alone
You call me
My parents aren't home
Suddenly it's you
Back in my bedroom
Tangled up in bed
One thought in my head

Don't wanna be there when it's over
Crying all alone cause
I'll be here and you'll be moving on
Don't wanna be there when I'm sober
Hoping that I over-dose on anything to keep me numb
Oh and I know I shouldn't need you
Know what this could lead to
And I know
And I know
That I'll be alright but I don't wanna be there when it's over
Don't wanna be there when it's over

Oh oh, got a new love
Best time of your life
Oh oh, got a new love
Seems just like your type
Oh oh, got a new love
Tell me what you find
Oh oh, got a new love
But you should know that I

I won't be there when it's over
When you're all alone cause
I'll be here and you'll be tryna move on
No I won't be another shoulder
That you always go to
When you need a place for you to cry on
Oh and you knew you shouldn't leave me

Knew you shouldn't need me
And you know
And you know
That you just can't make it right
So I won't be there when it's over
No I won't be there when it's over
