G-G-G-Good work, Charlie
Just wakin' up in the mornin', gotta thank God (Good day)
I don't know, but today seems kinda odd (Today was a good day)
Just wakin' up in the mornin', gotta thank God (Good day)
I don't know, but today seems kinda odd (ayy)

Today was a good day (yeah)
(Good day) Ayy
(Good day, good day) Yah
Today was a good day (good day, good day)
Oh (ayy)
Yah (good day)

I changed my clothes twice
I ain't even left the crib yet (yah)
She hit my phone twice

Barely two o'clock, and I just made some guap (made some guap guap)
Barely two o'clock, and I just left the block (left the block block)
Let that top down (ayy)
Let that leather breathe (ayy)
Roll that window down, and let them see me
In that Rolls Royce, they got no voice
We was so poised, now they got no choice
'Cause they flaked on us, and we done came up
I got my name up, now they all haters
And I stay day one, with all my day ones
They tried play us, 'cause they can't fade us

Today was a good day
Ayy, yeah
Today was a good day
Oh, yeah
They all hate us
And I stay day one
With all my day ones
They tried play us
'Cause they can't fade
Today was a good day (good day)
Oh (ayy) yeah (good day)
Today was a good day (yeah)
Yeah (skrrt)

Uh, today was a good day (good day, skrrt, good day, skrrt, good day)
(Today was a good day)
Just wakin' up in the mornin', gotta thank God
I don't know, but today seems kinda odd
Just wakin' up in the mornin', gotta thank God
I don't know, but today seems kinda odd
Just wakin' up in the mornin', gotta thank God
I don't know, But today seems kinda odd
Just wakin' up in the mornin', gotta thank God
I don't know, But today seems kinda odd
