

Darla

Ant Beale

And I gotta big heart
Yeah
Like a little rascal, oh yeah
I gotta big heart, big dreams, yeah and I'm a little asshole
Yeah, yeah

A Beezy (A Beezy)
Why you leave? (why you leave?)
Why you go when you ran off on me?
'Cause bitch I'm off a big blunt of gas (big blunt of gas)
Worried 'bout the past (worried 'bout the past)
I'm worried 'bout what's in front of me, yeah
And honestly (honestly)
Honesty, ain't always what it's cracked up to be
I know some things that were probably left better unsaid
I left some texts that were probably left better on read

But darling, Darla you are so beautiful to me
Oh yeah
Darling Darla, you are so beautiful to me

Yeah, yeah
Yeah, yeah
Hey

And my dog Pete loves you just as much as me
Why can't we be how we used to be
Honestly, obviously
I smoke so much
I forgot your birthday (sorry, sorry)
I sent you flowers they showed up Thursday (sometimes I'm in my own way)
And honestly, obviously (yeah, yeah, yeah)
I just can't be what you want (what you want)
And my dog Pete
Why'd you leave?
Now I'm in the doghouse alone

You told me to grow up
And not ever show up
And I need to show love more but I never do
But
I can't stand to see you and that boy 'round town 'cause...
He don't like to smile the way I do
And honestly, obviously
I just can't be what you want

And my dog Pete
Why'd you leave, now I'm in the doghouse alone

Oh I gotta big heart yeah, yeah
