Ant Beale

Yeah, yeah  
Yeah, yeah  
Why, why, why?

Don't act like (Don't act like, yeah, yeah)  
Don't act like you don't enjoy the spotlight (Like you don't enjoy the spotlight)  
I won't ask twice (Won't ask twice, yeah, yeah)  
You know you want it just as bad as I do

You, you, you, you got this thing where you try and tell me who I am  
When things from your view don't really go as planned (Planned, planned)  
But you ain't let me in to begin (Yeah, yeah)  
You were one to take way too much company  
That ain't go for your growth  
Couple months went by (Yeah), what happened to your folks?  
Now you're hittin' my line, tryin' to flip it on me  
You won't fuck when you want it, I call that a friendly ghost  
I'm supposed to, be the best with words  
Guess I need a little work, got a soft spot for you  
Hit your spot, find out that you are tired  
Oh, yeah, and your friends, shout out a little shot now  
I ain't even gonna do you like that (Why, why?)  
But you gotta stop actin' like that (Why, why?)  
I ain't even gonna do you like that

Don't act like (Don't act like, yeah, yeah)  
Don't act like you don't enjoy the spotlight (Like you don't enjoy the spotlight)  
I won't ask twice (Won't ask twice)  
You know you want it just as bad as I do (Want it just as bad as I do)

Mom felt badly had to call it off  
You was already at the front door  
Going through my phone was uncalled for  
Saying the bigger picture [?]  
I been feeling so fuckin' lonely lately  
Niggas dap me up, but I know that they hate me  
Snatch so crazy, 'cause of the way that they hate me  
I was tryna get a flow, but I still was wavy  
I was messed up, runnin' 'round gettin' my checks up  
My momma in a new crib, I did it, I stepped up (I, I, I)  
Everyday with P Reign, now I'm liftin' my rep up (Whoa)  
Anywhere I go on Earth, I be throwin' my set up (Ooh, I, I, I)  
I throw the West End up, and you really been there  
And you know I'm next up  
Whoa, whoa, and I'm from the Southside  
But now I'm on the West Coast, they prayin' I mess up  
But that's a no no  
You try to convince us that they know what's best for us (Yeah)  
Most of the times, I ain't even impressed enough  
While I guess, they take level exceptional  
I'm sensational (Yeah)  
Ain't nothin' to do it, so I did it  
I don't give a fuck about a mothafuckin' critic  
You don't get it, if you don't know, now you know  
So you better act like you know (Ohh)

Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah

Don't act like (Don't act like, yeah, yeah)  
Don't act like you don't enjoy the spotlight (Like you don't enjoy the spotl  
ight)  
I won't ask twice (Won't ask twice, yeah, yeah)  
You know you want it just as bad as I do (Want it just as bad as I do)

You know you want it just as bad as I do (I do, I do)  
You know (Yeah), you know you want it just as bad as I do (I do, I do, I do)
