

## Pinky Promise

Ant Clemons

"When's the last time", you said that last time  
Was a first time for me  
And when you're tired of making all them wrong rights  
You should leave time for me  
When you need your fix  
I could be your plug  
When you get tired of lies  
I could show you love  
Give me your hands, I'll take that lovely finger and I'll lock it down  
Pinky promise

Promise not to make a promise I can't keep  
I'll never do that to you so please, don't do it to me  
I'd never promise just to break a promise, that ain't me  
I'd never, ever break a pinky promise  
Pinky promise  
Promise not to make a promise I can't keep  
I'll never do that to you so please, don't do it to me  
I'd never promise just to break a promise, that ain't me  
I'd never, ever break a pinky promise  
Pinky promise

When you need a fix  
I could be the plug  
When you tired of lies  
Let me show you love  
When you need some time  
Let me show you some  
When it's after two I can be the one  
Bet the last time, you had a good night  
It's a long time to me  
Swear it's all right, here for the long ride  
Come make a wrong right with me  
Pinky promise

Promise not to make a promise I can't keep  
I'll never do that to you so please, don't do it to me  
I'd never promise just to break a promise, that ain't me  
I'd never, ever break a pinky promise  
Pinky promise  
Promise not to make a promise I can't keep  
I'll never do that to you so please, don't do it to me  
I'd never promise just to break a promise, that ain't me  
I'd never, ever break a pinky promise
