Ant Clemons

I miss all them texts, that's 'cause you don't text me  
I miss that ass from Houston, shit bigger in Texas  
I miss the way you ride it, shotgun and confessions  
I'm scrollin' through our texts, I got a confession

(I'm) I'm fucked up in this section  
I'm, I'm, I'm fucked up in this section  
I'm, I'm, I'm fucked up in this section  
I'm, I'm, I'm fucked up in this section

1942 got me loose  
Got me goin', goin' through it  
Everywhere I go, I see you  
I've been here, déjà vu

Still ain't callin' her  
I miss how you cuss me out  
Tell me we ain't talked too much  
Tell me anything that'll keep you here  
Tell me where you at, promise that ain't far enough

Uber black, pick you up, wanna pick up like  
It's a pick you up  
It's been way too long since you hit me up  
And I'm way too drunk not to hit you up

Text your line, to see if we could do it like we did last time  
Kick it with you naked in the crib sometime, sometime, sometime

I miss all them texts, that's 'cause you don't text me  
I miss that ass from Houston, shit bigger in Texas  
I miss the way you ride it, shotgun and confessions  
I'm scrollin' through our texts, I got a confession

(I'm) I'm fucked up in this section  
I'm, I'm, I'm, fucked up in this section

Oh no  
Feel like just us up in this section  
Drunk me is a blessin'  
I can cure all of your stressin'  
Oh, text me when we leavin'  
Hop in my two-seater  
We can ride out past Reseda  
Oh, and I pull up right to your section  
Leave after my session

'Cause I'm tryna have a session  
Oh, 1942 tequila  
That shit make me a demon  
Put your ankles by the ceiling

You relax and lean the seat back  
Dinner time like where the feast at  
Walk of shame I don't believe that

We could creep back (Oh)  
Right back to the section

Fucked up in this section
