

# Why Me

Ant & Dec

Why why why  
Why why  
Why why why  
Why why  
Don't you just hate it  
When it's like you're not even there  
You're blamin' all you problems  
But nobody cares  
I need someone to talk to  
To confide  
All stressed out  
And there's nowhere to hide  
Don't you just hate it  
When they treat you like a fool  
The in-crowd say  
That you're just not cool  
Life's tough enough  
That it makes me scream  
It could be a nightmare  
A naughty dream  
Why me?  
It's a cryin' shame  
Why me?  
Aren't we all the same?  
Why me?  
Is it justified?  
Why me?  
You know I really don't care  
Why me?  
Stop me if you dare  
Why me?  
I'm gonna live my life  
(Why me?)  
Don't you just hate it  
When you met the girl of your dreams  
You wanna have a good time  
Just when you think  
You've got a firm hold  
She's found someone else  
Her life's her own  
Don't you just hate it  
When you give a friend the world  
And you never get a thank you  
For no real reason  
Your turn around and blank  
A friend in need is a friend indeed  
Why me?  
It's a cryin' shame  
Why me?  
Aren't we all the same?  
Why me?  
Is it justified?  
Why me?  
You know I really don't care  
Why me?  
Stop me if you dare  
Why me?

I'm gonna live my life  
(Why me?)  
Why me?  
You know I really don't care  
Why me?  
Stop me if you dare  
Why me?  
I'm gonna live my life  
(Why me?)  
Why me?  
Why?  
Oh boy oh boy oh boy  
Hey Declan!  
Yo?  
I'm goin' too low  
You're a man on a mission  
On the road to hell  
You know I'm feelin' this pain  
It's a pain in the gutt  
You gotta get out  
Coz you're stuck in a rutt  
I just can't wait  
Till I can run my own life  
So no one can give me no grief or strife  
Don't want to retreat  
Till I'm part of the system  
There's good times ahead  
And I don't want to miss them

Why me?  
It's a cryin' shame  
Why me?  
Aren't we all the same?  
Why me?  
Is it justified?  
Why me?  
You know I really don't care  
Why me?  
Stop me if you dare  
Why me?  
I'm gonna live my life  
(Why me?)  
Why me?  
It's a cryin' shame  
Why me?  
Aren't we all the same?  
Why me?  
Is it justified?  
Why me?  
You know I really don't care  
Why me?  
Stop me if you dare  
Why me?  
I'm gonna live my life  
(Why me?)
