

Alive

Ant Wan

Yeah, yeah, yeah, yeah, yeah
Mhm
Yeah, yeah, yeah, yeah, mhm
Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, mhm
Mhm
Yeah, yeah

Tryna' make it out alive, made another homicide while you wait
Prayin', looking at the skies, mini Uzi by my side while you wait
I wanna fly over oceans, bullets fly in slow motion
Kill a kid like abortion, made a momma get emotions
Yeah, oo-oh, oo-oh, oo-oh
Oo-oh, oo-oh, oo-oh
I just wanna say goodbye one more time
But if I saw you, first thing I said would be "Hi" (Hi)

I'm so addicted to money, I can't have enough (I can't have enough)
You hang with my enemies so on you, I cannot trust (I cannot trust)
I came from the bottom, my homie, I came from the dust (I came from the dust)
I came from the bando, I made it, they say I was lucky (Yeah)
I take a trip and they hatin' cuz' they think a buzz (They think a buzz)
I keep a gun on me, baby, I don't give a fuck (I don't give a fuck)
A milli' in the weekend, never sleep, I gotta make it out the month (Gotta make it out the month)
Mama, I'm taking out of here, you gotta trust me
My homies are shooters, we all gotta roll with a nino
Blackberrys, bullets now, brra, I go prr from a beemer
I'm stuck in the trenches, I feel like I never would leave on, like Bundesliga

Tryna' make it out alive, made another homicide while you wait
Prayin', looking at the skies, mini Uzi by my side while you wait
I wanna fly over oceans, bullets fly in slow motion
Kill a kid like abortion, made a momma get emotions
Yeah, oo-oh, oo-oh, oo-oh
Oo-oh, oo-oh, oo-oh
I just wanna say goodbye on more time
But if I saw you, first thing I said would be "Hi"

Wherever I go, I'm a gangster, man, fuck all the feds
Lotta' people wanna' see me dead
Keep a choppa' under my bed
Keep it closer, every day gets colder
Shit, I'm always high, man, I can never be sober
Sitting in the rover, dreaming 'till it's over
I put a lot of dollars in my momma's sofa
I don't need a reason to be real
But I need a reason to say yes
I don't need a reason to be here
But I need a reason to be blessed
Let a hater hate, it will only make me greater
I know that I'll be saved 'cause I know God is my savior

Tryna' make it out alive, made another homicide while you wait
Prayin', looking at the skies, mini Uzi by my side while you wait

I wanna fly over oceans, bullets fly in slow motion
Kill a kid like abortion, made a momma get emotions
Yeah, oo-oh, oo-oh, oo-oh
Oo-oh, oo-oh, oo-oh
I just wanna say goodbye on more time
But if I saw you, first thing I said would be "Hi"
