

Devotee

Antaeus

Once i had a dream
Meticulous womb
Those hairy oktopouz
Rotten from inside
Seen hell saviour
Tasted
Devotee
Running through uretra
Pissing at the sky
Purple sky
(In flames) burn
Tasted hell saviour
Do u see?
Devotee
Been back from those depth
To finally rip your eyes
Been back from my death
To finally rape your soul
Devotee
Submit to me
