

Those With No Eyes

Antaeus

Blind lies rise
Eternal sweet fire
Killing /blink
One with soul
Remains unseen
Licking throne of gold
Soul of bricks
Plague of deaths
Hate rise/fill my eyes
Those with no eyes
Blind to see (him)
Those with no eyes
Blink
Come feel inside
Souls of fate
Those with no eyes
Blind to see
Breath now, worship (him)
Remains seen
Warm caress of fire
Breaks the pulse
Close your eyes?
