

BOW DOWN

ANTAGONIZER

You are my creation
(Bow down, bow down)
Listen to your fear and
(Bow down, bow down)
You are my creation
(Bow down, bow down)
From the dust I made you now return
(Bow down, bow down)
From the dust I made you now return

Bow down

Now return

Bow down

You are my creation
(Bow down, bow down)
Shut your pretty lips and
(Bow down, bow down)
Bruises on your knees and
(Bow down, bow down)
From the dust I made you now return
(Bow down, bow down)
From the dust I made you now return

Bow down

Now return

Bow down
