

# Dancing With My Eyes Closed

Anth

Just dancing with my eyes closed  
'Cause everywhere I look I still see you  
And time is moving so slow  
And I don't know what else that I can do  
So I'll keep dancing with my

It didn't have to be this way  
Would have rather kept the promises of the plans we made  
How we go from being together each and every day  
To only checking on me from your little fake ass page  
And if you woulda showed up I woulda taken you back  
But you put your pride in front of everything that we had

And I miss all of the nights that we stayed at home  
We had a love that made us feel like we was ten years old, damn

All the nights I cry for you girl I never know  
'Cause of what you did guess I'll be here on my own

Just dancing with my eyes closed  
'Cause everywhere I look I still see you  
And time is moving so slow  
And I don't know what else that I can do  
So I'll keep dancing with my  
Eyes, eyes closed  
Eyes  
So I'll keep dancing with my  
Eyes, eyes closed  
Eyes  
So I'll keep dancing with my
