

## Devil in Disguise

Anth

You ain't no angel, girl, don't lie  
You just a devil in disguise  
I know that you ain't ever love me at all  
You ain't no angel, girl, don't lie  
You just a devil in disguise  
I know that you ain't ever love me at all

How did we go from falling asleep on FaceTime?  
To blocking each other's numbers, did we just waste time?  
You're talking 'bout me, I heard it all through the grapevine  
So if you see me in public, don't ever say hi  
Everything changed from the good, to the bad, to the ugly  
I gave you my heart, and my love, and my time, and my money  
I'll never get back all the years of my life you took from me  
So why you smiling? I don't see what's funny  
No, baby, I don't need this  
All the nights that you told me that you were sleeping  
But you was out with somebody, girl, you was creeping  
And I know that you did it like every weekend  
Can't believe it

You ain't no angel, girl, don't lie  
You just a devil in disguise  
I know that you ain't ever love me at all  
You ain't no angel, girl, don't lie  
You just a devil in disguise  
I know that you ain't ever love me at all

Same story, just a different chapter  
We always end up breaking up, so does it really matter?  
I learned there is no such thing as happily ever after  
In reality, it only ends with your heart shattered  
So here I am, picking up all of the pieces again  
I'm going out, getting drunk, while I keep tryna pretend  
That I am done and moving on, that's what I tell all my friends  
I wonder if this trauma's ever gonna end

You ain't no angel, girl, don't lie  
You just a devil in disguise  
I know that you ain't ever love me at all  
You ain't no angel, girl, don't lie  
You just a devil in disguise  
I know that you ain't ever love me at all
