

# For Free

Anth

I go on and on  
She can't understand how I last so long  
Another minute, I'ma snap this mattress  
Cause I get more than your average  
Bad bitches in my IG, IG  
Oh Lord think she like me, like me  
Wanna go wherever I be, I be  
And I'm rolling like I'm Spike Lee, Spike Lee  
Might be

Aw baby, I've been spending some time lately  
Thinking about you and me  
I'm just saying that  
This dick so good, I shouldn't have to fuck for free

So I tell her  
I could make you hit them high notes, acapella  
Spanish lil' thang, nice face, ass better  
She always comes first, swear the girl deserves a medal

Let's skip the conversation  
Take this to my location  
I'll be that new Mercedes  
You can come drive me crazy  
Pull up, pull up, pull up at my place  
Sit up, sit up, sit up on my waist  
I get between your legs like o'lay  
From the bed to the kitchen to the hallway  
Yeah, yeah, yeah  
And if you want we can go again  
And if you want you can bring your friend  
I'm just saying that  
This chick so good I shouldn't get to fuck for free

Oh my  
Die for that pussy like I got 9 lives  
Claim she a good girl, don't do one nights  
Well, why she asking for the wi-fi?  
And if she do, then it's cool, girl that's fine by me  
Nothing on, but a thong, and my new white tee  
White girl, Spanish ass, mami ven aqui  
Best sex I ever had, girl you just might be

For the longest while we jamming in the party  
And you wining in on me  
Pushing everything  
Baby, you on top of me  
Let me hold you  
Girl caress my body  
You got me going crazy  
You turn me on, turn me on  
Let me jam you  
Girl wine all around me  
You got me going crazy  
You turn me on, turn me on, yeah
