

# Hawk Tuah

Anth

Shawty going insane  
When she spit on that thang  
Give me that hawk tuah

She ain't playing no games  
When she give me that brain  
I need that hawk tuah

And there ain't no way  
I could ever complain  
She got that hawk tuah

And I ain't saying no names  
She my little Rogaine  
'Cause of that hawk tuah

Ooo  
Okay, chill baby  
Head so good  
Should've went to Yale baby  
She gon' swallow that thang like a pill baby  
Do it with no hands  
God damn  
That's a skill baby  
Round of applause  
We gon' make a movie  
Call it "Jaws"  
Once you eat it  
You ain't gotta floss  
Baby I think you should charge  
If you did  
I don't care what it cost  
You know that I'm coming back tomorrow  
On God

Shawty going insane  
When she spit on that thang  
Give me that hawk tuah

She ain't playing no games  
When she give me that brain  
I need that hawk tuah

And there ain't no way  
I could ever complain  
She got that hawk tuah

And I ain't saying no names  
She my little Rogaine  
'Cause of that hawk tuah

Yeah  
Girl you snatched my soul when you did that thang  
Ain't no girl that can do the same  
One of a kind  
Girl, don't you change  
All in your mouth

I'm your new toothpaste  
Incredible  
Girl, you're such an animal  
Eating me up like edibles  
Eating that thang like Hannibal  
Yeah, yeah

Shawty going insane  
When she spit on that thang  
Give me that hawk tuah

She ain't playing no games  
When she give me that brain  
I need that hawk tuah

And there ain't no way  
I could ever complain  
She got that hawk tuah

And I ain't saying no names  
She my little Rogaine  
'Cause of that hawk tuah
