

## How It Go

Anth

You ain't gotta ask, baby you know what I'm on  
You can bring your friends, but just keep in on the low  
You do this for thrills, but for me it's all I know  
You always wanna come, but you never wanna go

Bitches on my mind now  
Got bitches all the time now  
So many bitches rolling through the crib  
My crib looking like a dog pound  
Wasn't really on last year  
But I swear that I'm on now  
And if they ain't want me back then  
Bet I'm the one that they want now  
Now, now  
Hold up, hold up  
Who would've knew that I'd ever blow up?  
I could do a show  
Or spend the night at home  
And these bad ass bitches still wanna show up  
Ah, oh well, oh well  
Head so good, she deserve a Nobel  
Only for a night, girl this ain't a hotel  
You know the deal...

You ain't gotta ask, baby you know what I'm on  
You can bring your friends, but just keep it on the low  
You do this for thrills, but for me it's all I know  
You always wanna come, but you never wanna go

Only for a night, baby you know how it go  
'Cause I won't settle down, baby you know how it go  
Yeah, I'ma blow this cash, I did this shit on my own  
'Cause you know how it go, baby you know how it go

'Cause I've been there before, yeah I know just how it go  
And I still got the scars, I'm just hoping they don't show  
So you can keep your love, 'cause I'm better on my own  
Yeah you know how it go, baby you know how it go  
Yeah you know how it go

Oh no  
Met a girl, rollin' round SoHo  
And I don't know if she here solo  
But that ass make the boy go loco  
Ha, yeah  
So baby tell me how you want it  
Skip the conversation, only got me 'til the morning  
Talking about your occupation, college education  
All the money that you're saving, girl it really ain't important  
No, no, no, no  
I know you wanted me  
For too long  
And girl you know, you know  
You ain't gotta...

You ain't gotta ask, baby you know what I'm on  
You can bring your friends, but just keep it on the low

You do this for thrills, but for me it's all I know  
You always wanna come, but you never wanna go

Only for a night, baby you know how it go  
'Cause I won't settle down, baby you know how it go  
Yeah, I'ma blow this cash, I did this shit on my own  
'Cause you know how it go, baby you know how it go

'Cause I've been there before, yeah I know just how it go  
And I still got the scars, I'm just hoping they don't show  
So you can keep your love, 'cause I'm better on my own  
Yeah you know how it go, baby you know how it go  
Yeah you know how it go

Yeah you know, yeah you know  
Yeah my friends, they all know  
Yeah you know, yeah you know  
No, I won't make that mistake again  
So I'll book you a car for 10  
And I don't know if I'll see you again  
But this ain't love, it's just pretend  
No, no  
I'm not going back, you can't make me  
You can't take me  
I won't make it, won't make it  
I won't make it, I won't make it, no  
So you are somebody that I don't need  
So go be wherever you wanna be  
Anywhere but laying here with me  
Ah yeah, ah yeah...
