

# I'll Be Missing You

Anth

Every step I take, every move I make  
Every single day, every time I pray  
I'll be missing you

Seems like yesterday we used to rock the show  
I laced the track, you locked the flow  
So far from hangin' on the block for dough  
Notorious, they got to know that  
Life ain't always what it seem to be  
Words can't express what you mean to me  
Even though you're gone, we still a team  
Through your family, I'll fulfill your dream  
In the future, can't wait to see  
If you open up the gates for me  
Reminisce some time, the night they took my friend  
Try to black it out, but it plays again  
When it's real, feelings hard to conceal  
Can't imagine all the pain I feel  
Give anything to hear half your breath  
I know you still living your life, after death

Every step I take, every move I make  
Every single day, every time I pray  
I'll be missing you
