

## Keep It On The Low

Anth

Somebody said they saw you  
The person you were kissing wasn't me  
And I would never ask you  
I just kept it to myself

I don't wanna know  
If you're playin' me, keep it on the low  
'Cause my heart can't take it anymore  
And if you're creepin', please don't let it show  
Oh, baby, I don't wanna know

I think about it when I hold you  
When lookin' in your eyes, I can't believe  
I don't need to know the truth  
Baby, keep it to yourself

I don't wanna know  
If you're playin' me, keep it on the low  
'Cause my heart can't take it anymore  
And if you're creepin', please don't let it show  
Oh, baby, I don't wanna know

Did he touch you better than me? (Touch you better than me)  
Did he watch you fall asleep? (Watch you fall asleep)  
Did you show him all those things that you used to do to me?  
If you're better off that way (If you're better off that way)  
Baby, all that I can say (All that I can say)  
Just gonna do your thing and don't-

Hate the feelin' of when you want 'em  
But knowin' that you don't need 'em  
You tellin' them that it's over  
But know that you never leavin'  
You know that they gonna play you  
No matter how good you treat 'em  
The trust has been dead and gone  
Like the messages they deleted  
And I don't wanna get even  
But I know you're up to somethin'  
Your phone is always on silent  
You're tellin' me that it's nothin'  
But if it is really nothin'  
Then why did you get to jumpin'  
As soon as I try to grab it  
My questions you keep on duckin'  
To where this shit is gettin' detrimental  
I'm sick and tired  
You're tellin' me it's coincidental  
My therapist keep on sayin'  
You're fuckin' with my mental  
Your love will never be mine  
You share it like a rental  
Damn

I don't wanna know (No, no)  
If you're playin' me, keep it on the low (Keep it on the low)  
'Cause my heart can't take it anymore (No, no, no, no, no, no )

And if you're creepin', please don't let it show (Don't let it show, girl)  
Oh, baby, I don't wanna know
