

## Mood

Anth

Why you always in a mood? (Hey)  
Fucking round, acting brand new (brand new)  
I ain't tryna tell you what to do  
But try to play it cool (yeah)  
Baby, I ain't playing by your rules (no, no)  
Everything look better with a view (no, no)

Bebecita, why you play with me?  
You know it's obvious you got a thing for me  
I'll give you all my time and my energy  
Want you to be mine, yeah  
Now where you at? (Where you at)  
I need that WAP (need that WAP)  
That pussy wetter every single time I rap  
Can't get attached, no  
I'm pulling back, girl  
But girl, you love it when I hit it from the back

Shorty a little baddie (shorty a little baddie)  
Short my little boo thing  
And shorty got that fatty (shorty got that fatty)  
Shorty be catching mood swings (yeah, yeah)  
Every time, I fuck without a rubber (fuck without a rubber)  
I nutted on the covers (I nutted on the covers)  
And I kept it undercover (kept it undercover)  
'Cause I don't kiss and tell, oh no no no no
