

# One Night

Anth

I ain't ever wanted to waste my time  
But it's never wasting time with you  
You're the only one that's been on my mind  
Tell me if you're thinking about me too

I know your mama saying that I'm no good  
Telling you to stay away from me  
Girl you know I'd stay away if I could  
Yeah, yeah, yeah, yeah, yeah

It's been too long  
Since I've heard you scream my name  
There's nothing wrong  
If you decide to misbehave  
Take it all off  
Baby imma make you glad you came  
'Cus I know you like it  
Tell me you like it

But if we only have one night  
Move your body close to mine  
Hands on your hips  
Dance like it's the last time

Girl if we only have one night  
Lay your body next to mine  
Kiss on your lips  
Touch like it's the last time

Told me that she only drink tequila  
Order 20 bottles of tequila  
Said that she was born in Argentina  
I might go and give this bitch a visa  
'Cus mami you 10 outta 10  
Might have to buy you a Benz  
And pay off your rent  
Flight to the city I'm in  
Just so I can see you again

It's been too long  
Since I've heard you scream my name  
There's nothing wrong  
If you decide to misbehave  
Take it all off  
Baby imma make you glad you came  
Yeah I know you like it  
Tell me you like it

But if we only have one night  
Move your body close to mine  
Hands on your hips  
Dance like it's the last time

Girl if we only have one night  
Lay your body next to mine  
Kiss on your lips  
Touch like it's the last time

I don't wanna wait  
You don't wanna wait  
We ain't gotta wait, no

If you wanna leave  
Baby come with me, ah

I don't wanna wait  
You don't wanna wait  
We ain't gotta wait, no

So kiss me like we only got one night

But if we only have one night  
Move your body close to mine  
Hands on your hips, dance like it's the last time

Girl if we only have one night  
Lay your body next to mine  
Kiss on your lips  
Touch like it's the last time

Girl if we only have one night  
Lay your body next to mine
