

Squid Game 2

Anth

Funny how I be the talk of the town
Even when I'm hardly ever in town
Got an addiction to women and money
And I spend that shit like it grow from the ground
I do whatever, whenever I please
Met a bad bitch and she from Medellín
Better be fucking, no need for discussion
'Cause baby I don't got no time for a tease

My English teacher said I wouldn't be shit
Shout out Ms. Patterson, fuck you, I'm rich
Look how I live, I got so many cribs
I swear that you would think I'm expecting some kids
I'm back and better than ever
I'm at the top and I'm loving the pressure
If that's your girl, then you better come get her
'Cause that bitch has been at my crib since the day that I met
her
Woo!

Silly motherfucker, you can't fuck with ANTH
I got that heavy metal money 'cause the boy got bands
I'm in demand, got fans in Korea, Japan
I'm worldwide, no lie, they even love me in France
And everything you wanna be, that's who I am
And I can tell you hate on me because I do what you can't
Trying to take my spot? You ain't got no chance
Because the boy here to stay, better cancel your plans
Squid game

Round and around we go
Round and around we go
Living life like we might die tomorrow
No one knows

Everyone clap your hands
Everyone sing as one
Make your money
Spend it
Live fast
Die young
