Hey mami vamanos pa la disco  
Yeah I love how you move it tan despacito  
Girl I want un besito bien suavito bebe

Oo baby won't you come my way  
Call an Uber 'cause the boy can't wait  
Leave the club, I'll show you where I stay  
I'ma give it to you, andale  
I want that cake, it ain't my birthday  
I'ma eat it like it's an entree  
From the bed, the floor, the hallway  
Give it to me, forget the foreplay

Bad bitch wanna kick it like a hat trick  
No time for a bitch who looking average  
I'm a king I should be up in a palace  
But for now you can catch me where the cash is  
I'm the man, no time for no romance  
You ain't a 10, then bitch you got no chance  
I fuck the waitress, tip her like 4 grand  
She got a man? But bitch he ain't no Anth, ah

Tell me everything that's on your mind  
All the dirty little things you hide  
Yeah we gonna do it all tonight  
And when we're done we'll do it one more  
'Cause dancing like you don't care if people see  
You move it like there's no one but you and me  
Girl I am with it, we don't need privacy  
No privacy

Yeah bring me the goose  
Yeah bring me the don  
Yeah bring me a bitch que baila reggaeton  
Uber to my crib, and girl you know it's on  
Only thing we wearing  
Is perfume and cologne  
All you hoes  
Will you stop leaving all your clothes  
On the floor of my brand new home  
Ahem, it's like, honestly  
I ain't got no room for that bullshit

Dura  
In that dress you rockin' girl estas dura  
Spanish mami all the way from Honduras  
You a hundred outta 10 estas dura  
Dura, dura, ey  
Fuck a bottle, bitch I'm buying every table

She know she naughty, but she swear that she angel  
She got a man but tonight she ain't gon' be faithful  
I've don't know who you been fucking with lately  
All I know is your friends, say that he ain't me  
All I know is you keep calling me baby  
All I know is I been driving you crazy

No pressure, competition is never  
She wanna talk body well bitch I'm the professor  
She lived that good life, got better when I met her
