

# The Devil That's Inside

Anth

My momma said a mans not supposed to cry  
But she don't know the pain I hide  
I pray to god like every night  
But no he don't reply

My father said he's proud cus I'm doing well  
But all this money just don't help  
It's only me myself and I  
And the devil that's inside

I walk around the surface  
Broken looking for purpose  
How am I worth more than a million  
And still feel so worthless  
They watch my life, observe it  
Think that it's picture perfect  
But they don't know the fucking struggles that I had to work with  
Grew up in a broken home  
My mattress always on the floor  
Eating ramen every night  
Evictions always on the door  
My momma told me pack my bags  
I'm sorry son we gotta go  
Just because you plant the seed  
It doesn't mean that it will grow  
So please don't ever think my life was better than yours  
I hate when people say I don't know what it's like to be poor  
Cus yeah I made a lot of money but I still need more  
Cus I can tell that happiness is something I can't afford  
And that is life

My momma said a mans not supposed to cry  
But she don't know the pain I hide  
I pray to god like every night  
But no he don't reply

My father said he's proud cus I'm doing well  
But all this money just don't help  
It's only me myself and I  
And the devil that's inside

So many things I ain't understand until I got older  
Like why the hell does my father always sleep on the sofa  
And why does momma keep crying and sobbing on my shoulder  
Those are the memories as a child I can't get over  
It's been 5 years since I've said a word to my older brother  
And yeah we share the same blood but that doesn't mean I love ya  
I'll never forgive ya for all the shit you put me under  
Our father's a fool, with you he should've just used a rubber  
A trauma no one knows  
The scars I never show  
The voices in my fucking head, they won't leave me alone  
I guess it's true when they say people can change  
Cus ever since my sister Fresia died, I ain't been the same  
But that's my life

My momma said a mans not supposed to cry

But she don't know the pain I hide  
I pray to god like every night  
But no he don't reply

My father said he's proud cus I'm doing well  
But all this money just don't help  
It's only me myself and I  
And the devil that's inside
