

90s TV Medley

Anthem Lights

Everywhere you look, everywhere you go
There's a heart, a hand to hold onto

It's a rare condition, this day and age
To read any good news on the newspaper page
Love and tradition of the grand design
Some people say it's even harder to find
Whatever happened to predictability
The milkman, the paperboy, evening TV?
You miss your old familiar friends
Waiting just around the bend

As days go by
It's the bigger love of the family

Now, this is a story all about how
My life got flipped-turned upside down
And I'd like to take a minute
Just sit right there
I'll tell you how I became the prince of a town called Bel Air

When I wake up in the morning
And the alarm gives out a warning
I don't think I'll ever make it on time
By the time I grab my books
And I give myself a look
I'm at the corner just in time to see the bus fly by

It's alright 'coz I'm saved by the bell

When this Boy Meets World
Boy Meets World
Wandering down this road, that we call life
Is what we're doing
It's good to know I have friends that will always
Stand by me

Everywhere you look
(Everywhere you look)
There's a heart
(There's a heart)
A hand to hold onto
Everywhere you look
(Everywhere you look)
There's a face
Of somebody who needs you
Everywhere you look

When you're lost out there
And you're all alone
A light is waiting
To carry you home

Everywhere you look
