

# A Star Is Born Medley: Shallow / Always Remember Us This Way

Anthem Lights

Tell me somethin' girl  
Are you happy in this modern world?  
Or do you need more?  
Is there somethin' else you're searchin' for?  
I'm falling

That Arizona sky burning in your eyes  
You look at me and, babe, I wanna catch on fire  
It's buried in my soul like California gold  
You found the light in me that I couldn't find

So when I'm all choked up  
And I can't find the words  
Every time we say goodbye  
Baby, it hurts

And I'm off the deep end, watch as I dive in  
And I'll never meet the ground  
Crash through the surface, where they can't hurt us  
We're far from the shallow now

When the sun goes down  
And the band won't play  
I'll always remember us this way

In the sha-ha-sha-ha-low  
In the sha-ha-sha-la-la-la-low  
In the sha-ha-sha-ha-low  
We're far from the shallow now

When you look at me  
And the whole world fades  
I'll always remember us this way

We're far from the shallow now
