

All I Want For Christmas

Anthem Lights

I don't want a lot for Christmas
There is just one thing I need
I don't care about those presents
Underneath the Christmas tree

I just want you for my own
More than you could ever know
Make my wish come true
You know that all I want for Christmas is you

I won't ask for much this Christmas
I won't even wish for snow
I'm just gonna keep on waiting
Underneath the mistletoe

There's no sense in hanging stockings
There upon the fireplace
Cause Santa, he won't make me happy
With a toy on Christmas day

I just want you here tonight
Holding onto me so tight
Girl, what can I do?
All I want for Christmas is you

All the lights are shining
So brightly everywhere
And the sound of children's
Laughter fills the air

And everyone is singing
I hear those sleigh bells ringing
Santa won't you bring me the one I really love
Won't you please bring my baby to me

I don't want a lot for Christmas
This is all I'm asking for
I just wanna see my baby
Standing right outside my door

I just want you for my own
More than you could ever know
Make my wish come true
All I want for Christmas is you

Is you
All I want
All I want
You...
