## Anthem Lights

It's time for me to take it  
I'm the boss right now  
Not gonna fake it  
Not when you go down  
Cause this is my game  
And you better come to play

I used to hold my freak back  
Now I'm letting go  
I make my own choice  
Yea, I run this show  
So leave the lights on  
No you can't make me behave

So you say I'm complicated  
That I must be outta my mind  
you've had me underrated

What's wrong with being  
What's wrong with being  
What's wrong with being confident  
What's wrong with being  
What's wrong with being  
What's wrong with being confident

It's time to get the chains out  
Is your tongue tied up  
Cause this is my ground  
And I'm dangerous  
And you can back off

But it's all about me tonight, tonight

So you say I'm complicated  
That I must be outta my mind  
But you've had me underrated

What's wrong with being  
What's wrong with being  
What's wrong with being confident  
What's wrong with being  
What's wrong with being  
What's wrong with being confident  
What's wrong with being confident

You say I'm complicated  
But you've had me underrated

What's wrong with being  
What's wrong with being  
What's wrong with being confident  
What's wrong with being  
What's wrong with being  
What's wrong with being confident  
Confident  
What's wrong with being  
What's wrong with being

What's wrong with being confident
