

# Dear Evan Hansen Medley

## Anthem Lights

All we see is sky  
Even when the dark comes crashing through  
Let the world pass by  
When you need a friend to carry you  
Feels like we could go on for forever

I've learned to slam on the brake  
Before I even turn the key  
Before I make the mistake  
Before I lead with the worst of me

Give them no reason to stare  
No slipping up if you slip away  
So I got nothing to share  
No, I got nothing to say

Have you ever felt like nobody was there?  
Have you ever felt forgotten in the middle of nowhere?

On the outside, always looking in  
Will I ever be more than I've always been?  
'Cause I'm tap, tap, tapping on the glass  
I'm waving through a window

I try to speak, but nobody can hear  
So I wait around for an answer to appear  
While I'm watch, watch, watching people pass  
I'm waving through a window, oh

Well, let that lonely feeling wash away  
Maybe there's a reason to believe you'll be okay  
Cause

Even when the dark comes crashing through  
When you need a friend to carry you  
And when you're broken on the ground  
You will be found

So let the sun come streaming in  
'Cause you'll reach up and you'll rise again  
Lift your head and look around

You will be found  
All we see is light  
You will be found  
Cause the sun burns bright  
You will be found
