

## Desire

## Anthem Lights

Baby I'm burning with desire  
You set me aflame I can't deny it  
So what if I throw myself in the fire  
Would the flames carry me higher

I'm powerless when it comes to you  
I lose control of my every move  
Don't know what I'm supposed to do  
You got a way about you

When you come around  
I can't tell my up from down  
Makes me fall apart  
Every time you stop my heart  
I can't even think straight  
It's like I'm going crazy  
Going crazy

Baby I'm burning with desire  
You set me aflame I can't deny it  
So what if I throw myself in the fire  
Would the flames carry me higher

Baby I'm searching for a reason  
To hold on to a single inhibition  
So what if I throw myself in the fire  
Would the flames carry me higher

Don't tell me that you don't feel it too  
I'd break my back just to get to you  
Still don't know what I'm supposed to do  
But I just gotta have you

Baby I'm burning with desire  
You set me aflame I can't deny it  
So what if I throw myself in the fire  
Would the flames carry me higher

Baby I'm searching for a reason  
To hold on to a single inhibition  
So what if I throw myself in the fire  
Would the flames carry me higher

When you come around  
I can't tell my up from down  
Makes me fall apart  
Every time you stop my heart  
I can't even think straight  
It's like I'm going crazy  
Going crazy

Baby I'm burning with desire  
You set me aflame I can't deny it  
So what if I throw myself in the fire  
Would the flames carry me higher

Baby I'm searching for a reason

To hold on to a single inhibition  
So what if I throw myself in the fire  
Would the flames carry me higher
