

# Friend Medley: Stand by Me / Lean on Me / Time After Time / I'll Be There

## Anthem Lights

When the night has come and the land is dark  
And the moon is the only light we'll see

Lying in my bed, I hear the clock tick and think of you  
Caught up in circles, confusion is nothing new

No I won't be afraid, no I won't be afraid  
Just as long as you stand, stand by me  
So darling

If you're lost, you can look and you will find me  
Time after time  
If you fall, I will catch you, I'll be waiting  
Time after time

I'll be there for you  
(When the rain starts to pour)  
I'll be there for you  
(Like I've been there before)  
I'll be there for you

'Cause I'm gonna need  
Somebody to lean on

Lean on me, when you're not strong  
And I'll be your friend  
I'll help you carry on

And darlin', darlin', stand by me, oh stand by me  
Oh, stand, won't you stand, stand by me

I'll be there for you  
(When you're not strong)  
I'll be there for you  
(Time after time)  
I'm gonna need  
Someone there for me too
